

## Ohio Valley Lumber Drying Association Spring Meeting

April 15 and 16, 2010

Christopher Conference Center  
Christopher Inn and Suites  
30 N. Plaza Boulevard  
Chillicothe, Ohio 45691

A two day meeting will be held April 15 and 16, 2010 in the Chillicothe, Ohio area. The meeting will start at 11:30 am with registration at the Christopher Conference Center lobby. The industry tours will start at 1:00 – 3:00 pm at Industrial Timber and Land Co. 35748, Ohio 93, Hamden, OH 45634. The next tour will start at 3:30 – 5:00 pm at Superior Hardwoods of Ohio, 134 Wellston, Ohio 45692. The technical presentations will began at 7:30 am Friday April 16<sup>th</sup>, 2010 with a short workshop devoted to DRYING THICK HARDWOOD LUMBER. The workshop will be conducted by Dr. Eugene Wengert, PhD, is a retired professor of forest products, University of Wisconsin—Madison; and is a recognized wood drying expert. In addition to numerous technical articles, Dr. Wengert has authored *Drying Eastern Hardwood Lumber*, *Drying Maple Lumber*, *Drying Oak Lumber* and *The Wood Doctor's Rx*.

This event will be of interest to owner and managers of hardwood lumber mills as well as operators and supervisors of dry kiln operations. Also, personnel related to local organizations that support development of new markets opportunities for wood products industries and independent consultants and academicians who are interested in updating their knowledge in drying thick hardwood lumber will find this meeting informative and worthwhile.

Presentations will include: Drying thick hardwood lumber, questions and answerers session concerning all aspects of drying lumber and a business meeting of the Ohio Valley Lumber Drying Association and plenty of time to network with your colleagues.

We have an exceptional lineup of tours on Thursday April 16<sup>th</sup>. We will start our tours with Industrial Timber and Land Co., Co. 35748 Ohio 93, Hamden, OH 45692. Our next tour will be at Superior Hardwoods of Ohio, 134 Wellston, OH 45692.

Cooperators include:

University of Kentucky, Department of Forestry, Cooperative Extension Service  
Ohio Valley Lumber Drying Association  
Industrial Timber and Land Co  
Superior Hardwoods of Ohio
